

# Attendance Policy

### Introduction

Regular school attendance is crucial in raising standards in education and ensuring that every child can have full access to the school curriculum and reach their potential.

Straid Primary School will strive to promote an ethos and culture which encourages good attendance and where each pupil will feel valued and secure.

### Straid Primary School Mission Statement

At Straid Primary School we endeavour to create a safe, happy and caring environment in which children have the opportunity to achieve their full potential.

We provide a broad and balanced curriculum which fulfils the Northern Ireland curriculum and promotes the children's development socially, physically, morally and emotionally as well as academically.

### Aims of the Attendance Policy

1. To improve/maintain the overall attendance of pupils at Straid Primary School.
2. To develop a framework that defines roles and responsibilities in relation to attendance.
3. To provide advice, support and guidance to parents/guardians and pupils.
4. To promote good relationships with Education Welfare Service.

### Role of the School

The Principal at Straid Primary School has overall responsibility for school attendance; all teaching staff should bring any concerns regarding school attendance to his attention.

The Board of Governors provide support by reviewing school attendance figures and targets and ensuring it is placed as an agenda item at meetings on a regular basis.

Teaching staff regularly monitor the attendance and punctuality of pupils by ensuring that attendance is recorded at the beginning of morning and afternoon registration.

To enable our school to record and monitor attendance in a consistent way we will adhere to the guidance provided in the Department of Education Circular 2013/13.

### Home/School Links

Straid Primary School is committed to working with parents to encourage regular and punctual attendance.

#### **Role of Parent/Guardian**

Parents have a legal duty to ensure:

Every child of compulsory school age shall receive efficient full time education suitable to age, ability and aptitude and to any special educational needs he may have, either by regular school attendance or otherwise.

**(Education and Libraries (Northern Ireland) Order 1986)**

It is a parent/guardian's responsibility to inform the school of the reason for a pupil's absence on the first day of absence. This should be confirmed with a written note when the pupil returns to school. If the absence is likely to be prolonged, this information should be provided to enable the school to assist with homework or any other necessary arrangements which may be required.

Pupils are expected to be in school at 9.00am for registration and the beginning of classes. It is the responsibility of parents to ensure that your child is punctual.

Lateness is recorded at registration and recorded on your child's attendance record. If your child appears reluctant to attend school please discuss the matter promptly with the class teacher or Principal to ensure that both you and your child receive maximum support.

### **Role of Pupils**

Each pupil at Straid Primary School has a duty to ensure that they attend school punctually and regularly. If you have been absent from school a written note from a parent/guardian must be provided to your teacher when you return.

### **Absence Procedures**

Pupil attendance/ absenteeism is monitored daily by all class teachers. In the event of an absence, a pupil is required to bring a note of explanation from home, which should be sent to the School Office, inside the class register, these will be filed by the Secretary.

### **Family holidays during Term Time**

Straid Primary School discourages holidays during term time due to the impact they have on pupils' learning. Family holidays taken during term time will be categorised as an unauthorised absence, school is not obliged to provide work during these periods.

### **Procedures for Managing Non-attendance**

If a pupil is absent from school for a prolonged period of time, the class teacher will supply the parents with work (provided the absence is not due to holidays).

### **Education Welfare Service**

The Education Authority through the Education Welfare Service have a legal responsibility to make sure that parents meet their responsibility towards their children's education.

Regular attendance is an essential requirement for educational results and where attendance difficulties exist or a pupil's attendance falls below 85%, Education Welfare Service (EWS) will support staff and parents in developing and implementing strategies to address or improve school attendance.
