	<u>COVID-19</u> Direction from Dept. of Ed is that currently schools are not to close at the moment. (12.00pm on 16/3/2020) On Thursday 19 th March, we as a school will be in a position to give each child a work pack for the 1st 2 weeks of school closure when this does happen. We are also working on enabling every child to access their learning remotely through the C2k system for the remainder of the school closure period. It is hoped that daily lessons and notes will be uploaded onto the C2k system for your child to access from home. With this in mind, each child will be asked on Wednesday 18 th March to take their C2k password home and attempt to access the school C2k site (A note will be provided to explain the steps required to do this.) It is very important that you let school know if you cannot complete this action from home on Thursday 19th March
	Please note that Tea and Treats has been cancelled on Saturday 21st March- full refunds will be returned as soon as possible.

School will inform you if there are any changes/additions to these activities. If you have any enquiries, do not hesitate to contact myself or Mrs. Grant at any time.

Regards,
Mrs. Boyd
