Please note that the school day will **begin at 9.00am and end at 2.00pm for the month of September** as stated in the parent booklet previously posted to families on 10th July. This will be reviewed at the end of September as also stated in the parent booklet and changes to the school day start and end times will be communicated before the end of September as arranged.

If you have any queries regarding arrangements for the month of September please contact Mrs. Boyd to discuss any concern.

If your child is off school due to illness and has been advised by their GP/PHA to get a COVID test, it is important that parents inform school as soon as possible both when being advised to get the test and afterwards when they get the result of the COVID test (whether positive or negative). If you need to contact school outside of school hours to do this, please ring the following mobile number: **07907017939**. *Please note that this number is only to be used in an emergency and not for other reasons that could wait for the normal school day.*

If sending grapes to school with your child in P1/2, please remember to cut them length ways to prevent any choking hazard that may occur with whole grapes and grapes that are cut across ways.

School will inform you if there are any changes/additions to these activities. If you have any enquiries, do not hesitate to contact myself or Mrs. Grant at any time.

Regards,
 Mrs. Boyd
